

AUSTRALIAN CONTAINER DROP

- Save hundreds of dollars on freight!
- Get a full days training under your belt!
- Meet other new owners in your area!
- Gather useful milling tips from our top State Rep!

Peterson's are looking for interest in our next container drop on the East coast of Australia. Take advantage of our commitment to offering you the lowest possible prices!

If you order your mill for the container drop to QLD, here are the great savings on new mills, direct from the factory:

- Free shipping on all parts and accessories
- \$500 off ATS (8" and 10" model)
- \$1000 off WPF (all models)
- \$1500 off ASM (all models)

How to Order

For further information or to receive a no obligation free quote, call Aaron on 1800 150 529 or email sales@petersonsawmills.com.

Payment Plan - 1/3 Deposit and confirmation received by 27 June 2008
- 1/3 Progressive Payment received by 14 July 2008
- 1/3 Balance received by 28 July 2008

Mill collection and owner training will take place at Jim Whitaker's residence in Tiaro, QLD on 30 August 2008.

Closer to dispatch date, we will supply you with a location map, and further details regarding the training day.

The Fine Print

- This offer is only available to those picking up from the drop off location, in Tiaro QLD.
